Committed to Improving the Lives of Patients Worldwide

www.celgene.com
At Bristol-Myers Squibb, we are working together for patients.
Our mission is clear — we discover, develop and deliver transformational medicines that help people prevail over serious diseases.
Our sense of urgency is real — we work every day to push the boundaries of scientific discovery and to make a meaningful difference in the lives of patients.
It’s what we do. It’s why we do it.

ProPhase is pleased to support

in its endeavor to support, educate, and empower cancer patients and their families.

About ProPhase
ProPhase is a global provider of specialty solutions in clinical trials. Our goal is to optimize the selection, use, and analysis of behavioral endpoints to mitigate trial risk and maximize the likelihood of study success. Through collaboration and evidence-based innovation, we work to transform measurement science in clinical trials and improve outcomes for all stakeholders.
